Garage Interiors & Closet Systems

Garage Cabinets The Tech Series

- Durable Plywood Construction
- Patented Dovetail Design
- Lifetime Warranty*

The new Slide-Lok Tech Series brings a modern, streamlined look to your garage with a stunning two tone thermofused finish and optional powder coated aluminum handles. New options are also available such as a heavy duty metal storage chest and new flooring colors. Ask your authorized Slide-Lok dealer for more information.

Plywood - Not Particle Board

Slide-Lok cabinets feature quality plywood construction to provide a lifetime of service and durability that particle board and plastic cannot deliver.

Adjustable Shelves

Each Slide-Lok cabinet comes with pre-drilled holes for quick and easy adjustment of shelves.

Extruded Aluminum Handles

The new Tech Series line features optional full length extruded aluminum handles with a glossy powder coated finish.

Dovetail Construction

We use our patented dovetail construction to ensure your cabinets assemble smoothly and consistently. The Dovetail design also provides superior durability and strength.

The Perfect Fit...

The Tech Series features the same great modular design built into the entire Slide-Lok line. This means you can easily customize your storage system to meet your needs. Whether you need just a few cabinets or an entire garage interior, the modular design of the Slide-Lok Garage Cabinet System is the perfect fit.

Contact your local dealer today to learn more about the Slide-Lok modular storage system.

Everything Has It's Place...

Optional drawers and drawer banks as well as the all new Metal Storage Chest provide additional ways to customize your garage. Matching Slat-Wall and accessories provide additional storage space while enhancing the overall look. With so many options and configurations, you will be able to create a place for everything in your garage.

Metal Storage Chest

- 18 Gauge Steel Construction
- Double Walled and Welded
- Limited Lifetime Warranty

Don't Forget the Flooring!

Slide-Lok Garage Floors feature excellent color and gloss retention and are available in a wide variety of colors. Slide-Lok Garage Flooring also features a coating that is considered "best in the industry", because it is stronger than epoxy, takes 1 day to apply and will not yellow or fade.
